

## Treaty 6 and Métis Medallions

In celebration of the opening of the Chief Mistawasis Bridge, a Métis medallion was specially commissioned through contributions from the Gabriel Dumont Institute, Senator and Métis Elder Nora Cummings and the NCP Bridge Naming Steering Committee, and handed out to participants along with Treaty 6 medallions as a souvenir of the day.

Both medallions will also be featured on banners permanently installed along the roadways leading up to Chief Mistawasis Bridge, and will be featured on decals placed on all Saskatoon Transit buses.
