And whereas, under the provisions of Section 8(1)(c) of *The Cities Act*, bylaws may be passed by a city in relation to people, activities and things in, on or near a public place or place that is open to the public;

And whereas second-hand smoke, also called environmental tobacco smoke (ETS), comes from smouldering cigarettes, cigars or pipes, as well as from exhaled smoke;

And whereas breathing second-hand smoke is considered smoking involuntarily;

And whereas, according to Health Canada, there is no known safe level of exposure to second-hand smoke;

And whereas, under the provisions of Section 11 of *The Tobacco Control Act*, S.S. 2001, c. T-14.1, the Province of Saskatchewan has prohibited smoking in certain public places;

And whereas, Section 15 of *The Tobacco Control Act* provides that a city may pass a bylaw in respect of smoking with provisions that are more restrictive than *The Tobacco Control Act*;

And whereas electronic cigarettes have no legal age restrictions and therefore are more easily accessible to youth than traditional cigarettes or other tobacco products;

And whereas electronic cigarettes may be more appealing to youth as they are perceived as being less harmful than smoking;

And whereas electronic cigarettes are designed to mimic the motions and experience of smoking tobacco and may be viewed as a gateway to smoking in youth;

And whereas electronic cigarettes that do not contain nicotine and do not make a health claim can be imported, advertised or sold in Canada without restrictions;

And whereas electronic cigarettes are not subject to the packaging, labelling, advertising, promotion and sponsorship restrictions that apply to traditional cigarettes and other tobacco products;

And whereas electronic cigarette use may undermine or diminish tobacco cessation efforts.

And whereas The City of Saskatoon wishes to enact a bylaw with more restrictive provisions than *The Tobacco Control Act* in respect of smoking in billiard halls, bingo establishments, bowling centres, casinos, licensed premises, outdoor public places operated by the City, outdoor seating areas, private clubs, restaurants and sidewalk cafes.

And whereas The City of Saskatoon wishes to enact a bylaw to restrict the use of electronic cigarettes in the same manner as smoking is currently restricted under *The Tobacco Control Act* and existing bylaw provisions.
