<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: LAP</b>		<b>Sub Neighbourhood:</b>	
Land Use (Residential) 1.1	Meet with community to discuss ACDs	That Community Services contact the Sutherland LAP Group and present the Architectural Control District guidelines.	Completed	100 %	City Planning gave a presentation on Architectural Control Districts to the community on November 27, 2000
Land Use (Residential) 1.2	Innovative residential development on Parcel C	That the Sutherland LAP, Sutherland Forest Grove Community Association, University of Saskatchewan and Community Services Department work together to examine the possibility of developing an innovative residential neighbourhood development with respect to form and density on Parcel C.	Started	5 %	The University of Saskatchewan's land use planning document, Vision 2057, has identified Parcel C as having the potential for a mixed use community. The City of Saskatoon's Growing Forward, Shaping Saskatoon plan has also identified Parcel C as a future mixed use area.  Currently there are no official proposals from the U of S to develop Parcel C, although they are currently developing College Quarter, a strategic infill development that will provide institutional, residential, and commercial amenities to the area. If a proposal was made to develop Parcel C, the development would be required to minimize any impacts to existing Sutherland residents.
Land Use (Residential) 1.3	Meet with community to discuss parking issues	That the Sutherland residents, businesses, Community Services & Community Association continue discussions on issues of parking overflow.	Completed	100 %	A Parking study was completed in March 2000. On December 18, 2000, City Council adopted the Sutherland Overlay District (B5A). The purpose of the B5A District is to implement the building height and off-street parking policies of the Sutherland Neighbourhood Local Area Plan as they apply to the commercial lands on the west side of Central Avenue, described as 706 to 1204, Central Avenue.
Parks, Recreation & Open Space 2.1	Maintain Parks	That Leisure Services work with the Community Association to upgrade beautify and maintain existing neighbourhood parks through existing processes and programs.	Completed	100 %	A Park Upgrade List was established in 2000. Addressing neighbourhood park upgrades is a priority and is accomplished on an annual budget which is spent on a prioritized list of neighbourhood parks. Priorities for the program are determined according to the impact of the upgrade on safety, demographics, infrastructure, land use and existing leisure program activities.
Parks, Recreation & Open Space 2.2	Explore Local Improvement Program to redevelop parks	That Leisure Services and the Community Association explore the Local Improvement Program (LIP) as a means to redevelop existing park space.	Completed	100 %	Park Enhancement Grants and Parks Upgrade Program available for park redevelopment.
Parks, Recreation & Open Space 2.3	Continue to meet open space requirements in redevelopment	That Leisure Services work with the Community Association to ensure that the Sutherland neighbourhood continues to meet the requirements of the Parks and Recreation Open Space policy and the Park Development Guidelines upon future development of large infill areas in the neighbourhood.	Completed	100 %	The City of Saskatoon Open Space Policy sets out standards for adequate park and open space that enhances natural aesthetic features within neighbourhoods and provides places for recreation.  When the Sutherland LAP was created the neighbourhood already met the required standards for open space. Open space requirements were further enhanced with the new development on Parcel B and the new green space for Sutherland- Kopko Park.
Parks, Recreation & Open Space 2.4	Identify opportunities to improve trail linkages	That Leisure Services, in consultation with the Community Association identify opportunities to improve trail links between neighbourhood parks with priority to a link between the portions of the neighbourhood that are bisected by the railway.	Completed	100 %	Trail linkages were completed as part of infill development on Parcel B.  The development of Parcel B was prepared in conjunction with the Integrated Bike Facility Network Study. It links the neighbourhood to a City-Wide Bike Network.

<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: LAP</b>		<b>Sub Neighbourhood:</b>	
3.1	Transportation, Circulation & Parking Explore traffic calming on Egbert	That Traffic Management and the Community Association explore additional traffic calming measures on Egbert Avenue to increase safety and reduce non-neighbourhood traffic.	Completed	100 %	Four-way stop signs at Egbert Ave. and 111th St. permanently installed in 1998. 109th St. at Egbert Ave. is now controlled using a stop sign (east/west). As well, painted crosswalks were implemented at both intersections as well as concrete medians.  The safety for pedestrians have increased at these intersections and right-angle accidents have been reduced since the installation of the stop signs.
3.2	Transportation, Circulation & Parking Increase pedestrian safety and aesthetics of Central Avenue	That Traffic Management, Community Association and the Central Avenue BID meet to identify the appropriate traffic role of Central Avenue in order to increase pedestrian safety and aesthetics of the roadway.	Completed	100 %	The Central Avenue Master Plan was approved in 2009 and contains recommendations with respect to land use, development, transportation, and streetscape enhancements along Central Avenue.  Phase 1 of the Central Avenue Streetscape Improvement Project will begin construction in July 2012, encompassing the block of Central Avenue between 109th St and 110 Street, and half a block in each direction from the block ends. The project includes features such as improved sidewalks, amenity strip with street trees, pavers, street furniture, garbage bins and lighting. The east side of the street will include a multi-use pathway and screening fence between the street and CP Yards. Resurfacing of the street will coincide with the improvements.
3.3	Transportation, Circulation & Parking Identify possible pedestrian/cycle routes.	That Traffic Management and the Community Association identify possible pedestrian and cycle route links in the neighbourhood.	Completed	100 %	The development of Parcel B was prepared in conjunction with the Integrated Bike Facility Network Study. It links the neighbourhood to a City-Wide Bike Network.
3.4	Transportation, Circulation & Parking Review operation of 108th Street	That Traffic Management in consultation with the Community Association review the operation of 108th Street and that a study be undertaken with a long term goal of managing traffic volumes on Sutherland area roadways.	Completed	100 %	The realignment of Preston Avenue to connect to Attridge Drive at Circle Drive has been completed.  The proposed Bylaw was approved by the Planning & Operations Committee on August 14, 2007. 108th Street was identified by residents as a concern in the truck bylaw report but no changes have been made to the current route. The proposed Bylaw will go for final City Council approval in September 2007.  The Central Avenue Master Plan is expected to go to City Council in 2009. Significant changes will be made to the streetscape which will discourage trucks from using Central Avenue.  Phase I of streetscaping along Central Avenue was completed in 2012. The new streetscape enhances the pedestrian experience and increases pedestrian safety along Central Avenue. The Transportation Branch has reviewed the traffic volumes, speed and pedestrian data along 108th Street and concluded that the road is operating sufficiently. A report was sent back to Councillor Hill.
3.5	Transportation, Circulation & Parking Identify opportunities to improve transit service in neighbourhood	That Transit Branch and the Community Association identify areas where City Transit service may be improved.	Completed	100 %	The Transit Branch expanded bus routes in Sutherland and Forest Grove neighbourhoods on August 31, 2003. The route expansion are designed to provide these neighbourhoods with an increased service range and improved travel time in addition to providing enhanced service.  In order to inform citizens about these new transit route expansions, two information booths were set-up (Co-op Marketplace & IGA at Preston Crossing). Area residents were also notified with a flyer delivered to all households.

<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: LAP</b>		<b>Sub Neighbourhood:</b>		
Land Use (Commercial/Industrial)	4.1	Resolve issues related to commercial development	That the Community Association and the Central Avenue BID work more closely to identify areas for partnership and resolve issues within the neighbourhood.	Completed	100 %	<p>The City of Saskatoon and the SBID jointly funded the Central Avenue Master Plan (CAMP). The CAMP provided opportunity for stakeholders to work together, including the BID and the CA. The CAMP was adopted by City Council in August 2010.</p> <p>One of the recommendations in the CAMP directly addressed LAP Recommendation 4.1: it included strategies directed toward the functioning of the neighbourhood, and identified both formal and informal opportunities for the BID and the City to work together to mitigate issues. This includes bylaw enforcement to minimize parking issues, speeding, inappropriate truck traffic; information and awareness initiatives to encourage property maintenance and improvements; and involvement of property owners to assist in minimizing negative behaviours of patrons. Some of the recommendations outlined in the CAMP are identified as the sole responsibility of the SBID; this includes encouraging mixed use development, promoting awareness of funding opportunities for upgrades (such as the Facade Conservation &amp; Enhancement Program), and developing a marketing study.</p> <p>This recommendation involves an ongoing, long-term relationship between two groups, the Community Association and the Sutherland BID. To this end, this recommendation is considered to be complete. The City of Saskatoon, through the Neighbourhood Planning Section and Community Development, continue to be available resources to assist these organizations.</p>
Land Use (Commercial/Industrial)	4.2	Establish a 5 storey height limit on west side of Central Avenue	That the Community Services Department establish a 5 storey height limitation on the commercial properties located on the west side of Central Avenue to fit the scale and character of the housing in the Sutherland neighbourhood.	Completed	100 %	<p>On December 18, 2000, City Council adopted the Sutherland Overlay District (B5A). The purpose of the B5A District is to implement the building height and off-street parking policies of the Sutherland Neighbourhood Local Area Plan as they apply to the commercial lands on the west side of Central Avenue, described as 706 to 1204, Central Avenue.</p>
Land Use (Commercial/Industrial)	4.3	Add new parking standards for west side of Central Avenue	That the Community Services Department establish minimal parking standards for the commercial properties located on the west side of Central Avenue for public assembly uses as outlined in recommendation 4.3 of the Sutherland LAP.	Completed	100 %	<p>On December 18, 2000, City Council adopted the Sutherland Overlay District (B5A). The purpose of the B5A District is to implement the building height and off-street parking policies of the Sutherland Neighbourhood Local Area Plan as they apply to the commercial lands on the west side of Central Avenue, described as 706 to 1204, Central Avenue.</p>
Neighbourhood Safety	5.1	Identify existing and potential safety issues in neighbourhood	That the Saskatoon Police Service and Leisure Services work with the Sutherland Community Association to identify existing and potential safety issues that may be addressed by the Safer City Advisory Committee.	Completed	100 %	<p>The Sutherland Neighbourhood Safety Final Report was approved by City Council May 25, 2010 and addresses existing and potential safety concerns, and perceptions in the neighbourhood. The recommendations brought forward within the Safety Audit process have been included in the Recommendation prioritization matrix and will be attended to as prioritized by this tool.</p>
Heritage	6.1	Explore ways to celebrate natural and built heritage	That the Leisure Services Branch assist Sutherland residents to establish partnerships with the Community Association, Saskatoon Heritage Society & the Saskatoon Nature Society to identify opportunities for the neighbourhood to celebrate its natural and built heritage through activities such as Harvestfest and Walking Tours.	Completed	100 %	<p>Harvestfest was a annual festival held along Central Avenue and the CPR yards that celebrated natural and built heritage in Sutherland. Harvestfest has been discontinued due lack of volunteers to organize the event.</p>
Heritage	6.2	Identify ways to conserve natural and built heritage resources	That the Community Services Department encourage a pro-active approach to conserve natural and built heritage resources in the Sutherland neighbourhood through education and partnerships with the Community Association and the Sutherland BID.	Completed	100 %	<p>In 2002, the Development Services Branch Heritage Consultant met with residents to outline the City's heritage programs.</p>

<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: LAP</b>		<b>Sub Neighbourhood:</b>	
7.1	Infrastructure & Municipal Services Examine important infrastructure issues and Local Improvement Program	That the Leisure Services Branch through the Community Association work with the Sutherland residents to identify which infrastructure issues are most important to the neighbourhood. Those issues or projects deemed most important can be brought to the appropriate City department's attention through the Community Association. Where these issues do not fit the City's budget or priority list, the neighbourhood may choose to pursue an alternative approach such as the Local Improvement Program (LIP).	Started	60 %	The implementation of the Central Avenue Master Plan, adopted by City Council in 2009, continues and includes the addressing of surface deficiencies and improvements needed on Central Avenue. To date, improvements that have been made include roadway resurfacing, underground infrastructure improvements, as well as an enhanced streetscape and an improved pedestrian environment. Further improvements will continue to be made in the future.  The Local Improvement Program initially identified in the recommendation is no longer being used by the City of Saskatoon.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Natural Surveillance</b>		<b>Sub Neighbourhood:</b>	
7.1.1	Neighbourhood Safety - Safety Audit Motion sensor lighting at the rear of properties	That the Planning and Development Branch, Community Services Department write a letter to the Sutherland community members adjacent to neighbourhood park space to encourage installation and regular use of motion sensor lights at the rear of properties which border the neighbourhood's park spaces.	Completed	100 %	A letter outlining the benefits of motion sensor lighting at the rear of properties adjacent to parks in Sutherland was sent to all property owners of those properties on Nov 15/10. The closing of this recommendation was overlooked in 2010 reporting, and as such, was not closed until January 21/11. The completion of this recommendation should be included in the 2010 recommendation stats.
7.1.2	Neighbourhood Safety - Safety Audit Street lighting	That Saskatoon Light & Power, Utility Services Department schedule the Sutherland neighbourhood for upgrades in 2012 under the existing Street Light Upgrade Program, Capital Project 1016.	Started	50 %	The Street Light Upgrade Program has been on hiatus for a number of years and there is no current estimated date of completion for this project.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Neighbourhood Cohesion</b>		<b>Sub Neighbourhood:</b>	
7.10.1	Neighbourhood Safety - Safety Audit "Safe at Home" Booklet	That the Planning and Development Branch, Community Services Department ensure that the Sutherland/Forest Grove Community Association receive copies of the "Safe at Home" booklet and that the booklet be advertised in the community newsletter, made available to residents at a convenient neighbourhood location, and that an electronic version be made available on the association's website.	Completed	100 %	300 copies of the Safe at Home Booklet were sent to the CA Oct 5/10 along with a letter identifying the recommendation and the CA's responsibility to advertise the booklet and make it available at a convenient community location. A link to the electronic version of this document, found on the City website, was also included.
7.10.2	Neighbourhood Safety - Safety Audit "Whose job is it?" brochure	That the Planning and Development Branch, Community Services Department ensure that the Sutherland/Forest Grove Community Association receive copies of the "Whose Job Is It?" brochure and that the brochure be advertised in the community newsletter.	Completed	100 %	150 copies of the Whose Job Is It? brochure were sent to the CA October 5/10 with a letter identifying the recommendation and their responsibility to advertise the brochure in the community newsletter. A link to the electronic version of this document, found on the City website, was also included
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Community Culture</b>		<b>Sub Neighbourhood:</b>	
7.11.1	Neighbourhood Safety - Safety Audit Public Art Program	That the Planning and Development and Community Development Branches, Community Services Department meet with the Sutherland/Forest Grove Community Association and Sutherland Business Improvement District to help them establish a mural or public art program for facilities and structures in the neighbourhood.	Completed	100 %	A meeting was held in Sutherland with a representative from the BID (Lloyd Moker), the CA (Harol Shiffman), Urban Design (Henry Lau) and Neighbourhood Planning (Elisabeth Miller and Danny Gray). The group was updated on the City's Cultural Plan and Public Art Program and discussions regarding neighbourhood possible were held. The BID and CA were asked to contact Frances Westlund, Arts and Grants Consultant, for more information related to the Cultural Plan and Public Arts Program.
7.11.2	Neighbourhood Safety - Safety Audit Commemorative plaque	That the Planning and Development and Community Development Branches, Community Services Department meet with the Sutherland/Forest Grove Community Association to communicate options for funding and installing a commemorative plaque acknowledging the historical value of C.F Patterson Park.	Completed	100 %	Plaque was installed in C.F. Patterson Park North in 2012.

Primary Subject / #	Name	Recommendation	Status	% Complete	Summary Notes
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Connectivity</b>		<b>Sub Neighbourhood:</b>	
7.12.1	Neighbourhood Safety - Safety Audit Sutherland Park community programming	That the Community Development Branch, Community Services Department meet with the Sutherland/Forest Grove Community Association to gauge the need for additional community programming and activities, such as a community gardens or festivals, in the underutilized areas of Sutherland Park.	Completed	100 %	April 27, 2012-The Community Consultant works with the community association on an ongoing basis to encourage more community programming. The Community Association is provided with annual funding as well they have access to apply for community grants.
7.12.2	Neighbourhood Safety - Safety Audit Maintain neighbourhood safety connection	That the Planning and Development Branch, Community Services Department report annually to the Sutherland/Forest Grove Community Association on the status of the Sutherland Neighbourhood Safety Report recommendations in conjunction with the annual Local Area Planning status report.	Completed	100 %	The Neighbourhood Planning Section releases an annual report indication the status of related LAP and Safety Audit recommendations to the Sutherland/Forrest Grove Community Association and as such have met the requirements of this recommendation.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject:</b>		<b>Sub Neighbourhood:</b>	
7.13.1	Neighbourhood Safety - Safety Audit Traffic updates	That the Transportation Branch, Infrastructure Services Department and the Planning and Development Branch, Community Services Department report back to the Sutherland/Forest Grove Community Association on the status of the Traffic and Circulation issues identified in the Sutherland Neighbourhood Safety Report in conjunction with the annual Local Area Planning status report.	Completed	100 %	Neighbourhood Planning and Justine Nyen from Transportation attended the CA meeting on 11June14 to review this recommendation. It was agreed that the 15 concerns in the recommendation were either addressed or were moot points due to changes in the neighbourhood. Only concern D, G and M are left. Transportation has advised that these concerns, along with non-LAP concerns brought up in the meeting by the CA will be addressed as part of the new Neighbourhood Traffic Management Program, which reviews traffic concerns on a neighbourhood by neighbourhood basis - with 8 neighbourhoods selected annually for review.
7.14.1	Neighbourhood Safety - Safety Audit Coordination of implementation budgets	That the Planning and Development Branch, Community Services Department work with all identified departments to coordinate the estimated operating and/or capital budget costs and submit a comprehensive Neighbourhood Safety budget request to City Council for funding and implementing these recommendations once the report has been approved.	Completed	100 %	Since this recommendation was made, there have been changes to the Local Area Planning process and the implementation of neighbourhood safety recommendations. There is now an additional dedicated planner to work on the implementation of neighbourhood safety recommendations as well as identified monies for neighbourhood safety recommendations. Additionally, the corporate budget process has changed. These changes impact this recommendation and make it redundant.  Neighbourhood Planning, Planning & Development Division, is of the opinion that the current budgeting process facilitates the flexibility and responsiveness needed to complete neighbourhood safety recommendations, particularly in light of a dedicated staff to carry them out.  The Sutherland Safety recommendation 7.14.1 is therefore considered closed.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Territoriality</b>		<b>Sub Neighbourhood:</b>	
7.2.1	Neighbourhood Safety - Safety Audit House numbers in lanes	That the Planning and Development Branch, Community Services Department write a letter to the Sutherland community members adjacent to neighbourhood park space to encourage the identification of all properties, front and rear access, with appropriate civic address numbers and educate residents about the safety benefits related to providing house numbers in the lanes.	Completed	100 %	A letter was drafted to explain the context of the recommendation and the advantages to posting rear lane numbers. All residents and/or property owners around C.F. Patterson Park, C.F. Patterson Park North, and Bishop Filevich School park space received this letter through the mail Oct 27/10 and were provided my office number (7672) if there were any questions or concerns.
7.2.2	Neighbourhood Safety - Safety Audit Sutherland Park sign	That the Planning and Development Branch, Community Services Department meet with the Parks Branch, Infrastructure Services Department to coordinate the installation of an additional Sutherland Park sign on the southwest corner of the park and that this sign be funded through the Local Area Plan Implementation Budget, Capital Project 2034.	Completed	100 %	New Park sign for Sutherland Park was installed in October 2013. Barb Giocoli will invoice Neighbourhood Safety if any additional installation charges are required.

<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Access Control</b>		<b>Sub Neighbourhood:</b>	
Neighbourhood Safety - Safety Audit 7.3.1	Basketball court lighting	That the Planning and Development Branch, Community Services Department arrange a meeting with Parks Branch and Facilities Branch, Infrastructure Services Department and Saskatoon Light and Power, Utility Services Department to discuss the feasibility of installing timed lights on the basketball court in Sutherland Park, and if it is to proceed, that the lighting installation be funded through the Local Area Plan Implementation Budget, Capital Project 2034.	TBD	0 %	
Neighbourhood Safety - Safety Audit 7.3.2	Sutherland Park formal pathways	That the Parks Branch, Infrastructure Services Department include the installation of formal pathways in Sutherland Park as part of its upgrades under the Neighbourhood Park Upgrade Program, Capital Project 901, and that the findings of the Sutherland Neighbourhood Safety Report be considered in the design and location of these pathways.	Started	0 %	A meeting was held with the Parks Department in March and it was resolved that a pathway mock-up be drawn and send to Parks for comments/suggestions/price. This recommendation has been sitting for a while and has been passed back and forth between Parks and Neighbourhood Planning. A drawing of a proposed pathway will be sent to Parks at the end of March 2017.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Image</b>		<b>Sub Neighbourhood:</b>	
Neighbourhood Safety - Safety Audit 7.4.1	Sutherland Park Mural	That the Community Services Department, Community Development Branch meet with the Sutherland/Forest Grove Community Association and the neighbourhood youth to examine the feasibility of creating a mural on the walls of the Sutherland Park paddling pool to celebrate the neighbourhood and its young people, and encourage ownership and respect of the park amongst users.	Started	20 %	Public Engagement sessions with Sutherland youth will occur in summer 2015 in order to gather ideas for a mural on the paddling pool site.
Neighbourhood Safety - Safety Audit 7.4.2	Graffiti vandalism prevention	That the Planning and Development and Community Development Branches, Community Services Department arrange a meeting between the Police Services, Graffiti Unit and the Sutherland/Forest Grove Community Association, and that the "Reducing Graffiti in our Community" brochure be advertised in the community newsletter, made available to residents at a convenient neighbourhood location, and that an electronic version be made available on the association's website.	Completed	100 %	Community Services, Community Development Branch sends out a reminder to all Community Association about graffiti removal and graffiti vandalism prevention in spring every year. The Graffiti removal brochure is available online.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Conflicting User Groups</b>		<b>Sub Neighbourhood:</b>	
Neighbourhood Safety - Safety Audit 7.5.1	Central Avenue police presence	That the Saskatoon Police Services meet with the community to explain how police resources are deployed and how this relates to their ability to respond to calls and to be a consistent presence in the area around the bars located on Central Avenue.	Completed	100 %	I emailed Rick Penny to confirm how SPS has attended to this recommendation. He advised me that he has attended two Town Hall meetings (Hill and Dubois), listened to police related complaints from people, and fielded many calls from Sutherland citizens. They continue to monitor the bars on the Central Avenue strip with regular checks by Patrol, Vice and SLGA and the compliance of these businesses has increased dramatically since 2007.
Neighbourhood Safety - Safety Audit 7.5.2	"Respect the neighbourhood" signage	That the Planning and Development Branch, Community Services Department meet with the Sutherland/Forest Grove Community Association and the Sutherland Business Improvement District to develop and place highly visible signage that encourages respect for neighbourhood residents where commercial use and residential use may conflict.	Started	25 %	A City Wide Incivilities Strategy Request for Proposals (RFP) is currently underway for 2017. This RFP will cover a number of recommendations from various neighbourhoods.

<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Crime Generators</b>		<b>Sub Neighbourhood:</b>	
7.6.1	Neighbourhood Safety - Safety Audit Bushes along CPR right-of-way in Sutherland Park	That the Parks Branch, Infrastructure Services Department remove the row of caraganas that is directly adjacent to the CPR right of way to reduce the likelihood and opportunity for criminal activity to take place between the rows of bushes.	Completed	100 %	May 25/11 - A site visit was conducted . Parks has completed the removal of the trees along the CPR ROW. Pictures can be found under the document tab of this recommendation
7.6.2	Neighbourhood Safety - Safety Audit Repair wooden bollards at Bishop Filevich School	That the Parks Branch, Infrastructure Services Department work with the Greater Saskatoon Catholic School Board to repair the timber bollards adjacent to the lanes in their respective properties at Anna McIntosh Park and Bishop Filevich School to prevent unwanted access into the park and school grounds.	Completed	100 %	Elisabeth Miller and Danny Gray performed a site inspection Feb 7th/11 of the Bishop Filevich School park and found that the bollards in the lane had been replace/repared to prevent unwanted access to the park.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Activity Support</b>		<b>Sub Neighbourhood:</b>	
7.7.1	Neighbourhood Safety - Safety Audit Programming and equipment in C.F. Patterson Park North	That the Community Development Branch, Community Services Department meet with the Sutherland/Forest Grove Community Association to examine the feasibility of establishing additional compatible community programming and/or equipment such as a children's play structure or sports equipment in C.F. Patterson Park North.	Completed	100 %	The Community Association met On June 5, 2012 and indicated that they are not interested in putting more equipment in CF Patterson Park North. The School area has been working on more items around Sutherland School and that location would be better for the area than in CF Patterson Park North. That park has a small drawing area so it would not benefit the community to a large enough degree.
7.7.2	Neighbourhood Safety - Safety Audit C.F. Patterson Park North and C.F. Patterson Park	That the Community Development Branch, Community Services Department meet with the Sutherland/Forest Grove Community Association to review the number and location of picnic tables and benches throughout C.F. Patterson Park North and C.F. Patterson Park to identify whether more are needed to meet the community's needs.	Completed	100 %	The Community Consultant met with the Sutherland Forest Grove Community Association on June 14, 2012. At this meeting the Community Association indicated that CF Patterson Park needs one additional garbage receptacle in the Southwest Corner of that park, and one Picnic table at the South End. In CF Patterson Park North, the Community Association feels there is a need for additional benches and picnic tables, and garbage receptacles throughout that park.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject: CPTED - Land Use Mix</b>		<b>Sub Neighbourhood:</b>	
7.8.1	Neighbourhood Safety - Safety Audit Central Avenue commercial area	That the Planning and Development Branch, Community Services Department coordinate a meeting with the Sutherland/Forest Grove Community Association so that the Sutherland Business Improvement District can present the Central Avenue Master Plan Concept and the implementation schedule.	Completed	100 %	April 13/11 - Neighbourhood Planning attended the kick off meeting for the CAMP Steering committee at the Venice House. Henry Lau introduced participants to the Master Plan and identified how the project is to carry forward. The Steering Committee, which included Civic Staff, the University, the Sutherland BID and Community Members, will meet periodically to discuss the Master Plan and its progress.
<b>Neighbourhood: Sutherland</b>		<b>Secondary Subject:</b>		<b>Sub Neighbourhood:</b>	
7.9.1	Neighbourhood Safety - Safety Audit Bishop Filevich fencing	That the Planning and Development Branch, Community Services Department send a letter to the Bishop Filevich School administration advising it of this report and recommending replacement of the chain-link fencing adjacent to the west side the rink with wooden bollards.	Completed	100 %	A letter was sent to Bishop Filevich school administration on Oct.31, 2013 encouraging the school board to replace the chain link fence with wooden bollards.
