# INSTRUCTOR REGISTRY

The City of Saskatoon Community Services Department and its Community Associations NEED qualified instructors to teach recreation and leisure programs. If you are qualified and interested in teaching, enter your name into the INSTRUCTOR REGISTRY. The registry is maintained by the Community Services Department and is designed to provide the most suitable instructor for every program.

We invite you to complete this form to register your name and instructional area. If an appropriate position can be found, you will be contacted by our Instructor Placement Coordinator. Upon placing your services, a contract and information package will be sent to you. Registering your name does not guarantee you a placement; however, if an opportunity becomes available, you may be contacted by the Instructor Placement Coordinator.

Please answer all areas of the Instructor Registry Form. Thank you for your interest in teaching leisure programs within the City of Saskatoon.

**NOTE: Applicants must be a minimum of 16 years of age.**
